Reception Homework, Summer Term 1 2024

Dear Reception children and families,

Well done to those of you who have handed in your green books- it is lovely to see you having a go at Phonics work at home. This term we would love you to continue practising reading and writing the sounds we have learned. As we begin thinking of and writing our very own sentences it would be great if you could support your child in some simple sentence writing, too.

Please see the list of activities for this half-term overleaf. Once again do come and have a chat if you have any questions, and it would be great to see your green books again before the half term holiday.

Thanks again for your continued support.

With all best wishes, Mrs McGuire, Miss Butterworth and Miss Wragg
