Reception Homework, Spring Term 2 2024

Dear Reception children and families,

We are all enjoying our Phonics and are now nearing the end of "Level 3". At this point in the Level we do a lot of recapping of the sounds we know, extending our learning with more writing practise.

Please see the list of activities for this half-term overleaf. Once again do come and have a chat on the yard if you have any questions, and it would be great to see your green books again before the half term holiday.

Thanks again for your continued support.

With all best wishes, Mrs McGuire, Miss Butterworth and Miss Wragg
