

Purple Group

Here are your spellings for the next half-term. As you will notice, there are only eight words to practice each week but there will be ten questions on the test. Don't worry! The other two words will follow the same spelling pattern. Use the weeks between tests to focus on the spelling pattern and use the space on the sheet to write other words that fit the pattern.

There are a variety of ways that you can practice your spellings. Try some of the following:

- Look, cover, write, check
- Hangman
- Keep copying
- Build a pyramid
- Write them in alphabetical order
- Ask someone to test you.
- Put them in a sentence.
