**TREE PLANTING** Thank you to Mike for blessing our new hedgelings which we hope will later provide a habitat for birds and insects. Lots of children enjoyed planting in the wonderful spring sunshine

Thanks to those who came to help and to those who responded to our plea for weeding help - we can now plant our wildflower meadow.

**CHURCH SERVICE** We enjoyed a wonderful Easter service, led by the brass instrumentalists playing 'Hot Cross Buns' and hedgehogs who sang 'I'm a Little Chick' with gusto. Squirrels also had a chance to proudly show us their performance poetry - thank you to those who attended.

### The Bumblebee Conservation Trust

It's an all things bright and colourful non uniform day on Friday 28<sup>th</sup> to celebrate the spring and highlight the flight of the bumblebees - we will sow our wildflower bed and go looking for signs of Spring .... including the pink blossoms on the Japanese Cherry tree. Please bring a bumble bee donation and wear something colourful.
