Have a look at our fabulous **Library** - not only does it look smart in our school colours but also has a lot of new books thanks to YOU the PTFA and the Bonfire funding for 2022. We are thrilled to launch this as a new addition to school. On World book day children were able to choose and read non-fiction books and enjoy a story too.

We are after a range of comics and am wondering about subscribing to National Geographic Junior or a similar one should anyone have a children environmental/global/humanities or science subscription to recommend or perhaps a STEM focus?

We have a pupil Librarian but if anyone would like to pop in for a weekly tidy or come and share a book with individuals it would be wonderful. Reading time can be Mon Tues or Friday afternoons. Do come in and have a look - suggestions welcome!

**Girls' Football** - The older girls had a great afternoon of gentle footie challenges with Mrs Gilbertson practising her passing skills too!

**Red Nose Day** - thank you for your contributions - the £53 raised goes towards supporting children's lives in the UK

**The Eco Warriors** are currently working with Mrs Gilbertson to apply for the renewal of the Fair Achievers award for being an Eco School. There is more to this than a display or Fairtrade Fortnight: the children need to be aware of how the fluctuating climate in warmer countries effects crop growth as well as the negative impact on farmers' lives when they are not given a fair and reliable price for their products. This includes learning about the benefits to families and communities over a period of time - developing schools and health centres for example.

### **The Eco Warriors want to raise awareness of buying FAIRTRADE ....**

Tesco, Co-op and other supermarkets sell many products including those on our entrance display .... bananas, tea, coffee, chocolate, sugar and chocolate eggs! Our chocolate day was also sponsored by Divine who are a Fairtrade manufacturer. Thank you to the PTFA who will be awarding Fairtrade prizes for the Egg competition.

## **CHOCOLATE**

*'It was really fun and exciting. I especially enjoyed finding out how chocolate is made' Seb*

We learned that white chocolate is the unhealthiest because it has lots of sugar and cocoa butter in it, which is really bad for our arteries.

We found out that global emissions from rich countries affect the climate and this affects crop production. Fairtrade farmers planted 300,000 trees in 2022 to fight against carbon emissions.

Chocolate was first eaten by the Ancient Mayans who added spices and chilli to it.

**Thank you to the PTFA who enabled this wonderful day to take place.**

**BRASS** - Well played to the Owls who went to Lady Manners School and took part in a Music Partnership concert along with two other schools and two wind bands. It was quite a spectacle! A super proud moment for parents and a good opportunity to have look around the school too. Thank you to Chris for his time. We are off to play with the Halle Orchestra next in Manchester!

**Wellbeing Walk** - thank you to those who joined us for this amble through the village - it was lovely to chat with new partners and to take some time out of the busy day.

**Being ready to learn is tricky when we don't all start the day together.** The gates open at 8.40am. Please remember to arrive by 8.50 in order not to be late: the gate is then shut and you will be marked as late once the register is taken. We are wanting to improve our school attendance, Governors have been working with Mrs Gilbertson and the Parent Forum to review this. We know that Ofsted use attendance as a trigger for their visit, currently ours is below the national average of 93.5% - we usually report a figure nearer 96% (7 days off a year). Whilst we can't avoid sickness and bugs, we hope with the warmer weather, that more children will be healthy and this will improve. Please always inform school if your child is off ill and please refrain from term time breaks and full days off. We will be looking to work with you to address persistent lateness and attendance below 96%.

'Together we achieve more'  
Many thanks for your support.

**The Parents' Forum** have been reviewing the **Uniform Policy** and this will be on the Website soon - anyone can wear summer uniform there is no rule about when: anyone can wear shorts, skirt, dress or trousers, this is your choice. Please make sure you all have a school sweatshirt or cardigan with the logo and black shoes.

### The PTFA have a few dates for your diary:

o Wednesday 29th March - Bring decorated eggs/ovals into school. Prizes for the best decorated eggs. They will be displayed afterwards in church for everyone to see!

o Thursday 30th March - Easter bingo, treasure hunt and seed planting afternoon in school. Message if you would like to volunteer! Sorry no younger siblings.

o Saturday 15th April - Spring Fete (Eyam School/ Sports Association) - Fun & Games on the sports field for all the family including the Bubble Man and a car show! (see poster). The PTFA will have a Bring & Buy table - message Alan and/or Jess if you are able to contribute or to volunteer! If you have any preloved toys or items to donate to the school table top sale, please bring on the day or contact Jess E. We need carrier bags too if you have any spare. We look forward to seeing you.

o Tuesday 9th May – new bags2school date for clothes / shoes / textiles donations

o Saturday 20th May – Balti and a Band! Save the date - the PTFA will be hosting an evening of food and live band entertainment for you all to enjoy! Watch out for more information coming soon...

We have a few exciting plans up our sleeves for next term too! All will be revealed at our next PTFA meeting on Tuesday 25th April, everyone welcome!

Thank you
