Children's Mental Health Week saw lots of discussions with each class about speaking up and recognising that everyone should be able to express their view but that some of us will find that really hard to do so we need a range of ways to do this.

Non uniform – Express Yourself

Thank you for your contributions we raised £42 for charity Place2Be.

Hedgehogs expressing themselves!

We are pleased to let you all know that Mr Beresford will be returning shortly and working, as before, alongside Mrs Lewis and our wonderful support staff in Owls. The children will have told you no doubt that they have moved and Owls are now working in the old Woodlands Class space - this will continue for the near future. We all want to pass on a huge thank you to Mrs Lewis who has provided fantastic continuity for the children who have worked really well this half term. The old Owl classroom (canteen) will become Treetops.

Y5 had a super time at **wheelchair basketball** - so did Mrs Hix!

Congratulations to Y5/6 who got through to the final of the inter-cluster netball! Yippee **GO SQUIRRELS!**

Have you got a neurodiverse family member? Then this could be a useful cup of tea! The neurodiverse team are running coffee mornings in Buxton and have agreed to come to Eyam for a cuppa and a chat in our Treetops classroom date to be confirmed.

Online safety day saw us thinking about the future of technology and how we might use it to our advantage. This gave children a chance to reflect on how they might harness the everchanging landscape for the better, including the use of AI in their futures lives. Squirrels have been enjoying programming the new microbots - gifted through the BBC.
