**Squirrels** have enjoyed their Forest school this half term – working with new groups and learning how to work as a team is so important. They have clearly been showing off their creative skills, cleverly making rainforest layers

## Fun at the Tropical Butterfly House

– there was so much to see, the children got to hold lots of creatures and learn about life in the tropics! Thank you to the PTFA for paying half of this trip, which cost about £1000! You might see why we need to do so much fundraising – so DO try and support the PTFA and take part in the BIG and small events that they run for school, every donation counts!
