NEWS TO CELEBRATE LOOK!

Huge thanks to all those who have supported the solar journey at Eyam – sponsors, bonfire helpers, the community and local Hope Valley Action group, Aviva and the Garfield Trust, local eco guru Simon and Tom at Smart Homes electrical (who has waited patiently, holding the quote for 18 months whilst we collected all the information, permissions, surveys and funds). All these contributions have led to the successful switch to solar – today we powered the school and fed back into the grid! We can instantly see the production, use and export of power and how much CO2 has been saved!

Thank you - Hedgehog's cake sale raised £55.80. The School Council are finding ways to spend this for games on the yard.

Young Voices at Sheffield Arena saw Squirrels join 4000 other young singers in a lively and action-packed performance

'I enjoyed watching the street dancing'.

'I loved joining in with the dancing the best.'
It was quite a spectacle!
Thanks for picking the children up afterwards and enthusing about the event.

Dear Parents/Carers and Friends of Eyam School,
We're looking for enthusiastic individuals to join our Parent Teacher Friends Association (PTFA) Committee as Chair, Treasurer, or Secretary. These roles are vital in supporting our school community, organizing events, and making a real difference for our children.

- **Chair:** Leads meetings, sets the agenda, and coordinates activities alongside the school and parents.
- **Treasurer:** Oversees fundraising income/expenditure and prepares budgets.
- **Secretary:** Takes meeting minutes and supports chair where needed.

No prior experience is necessary—just enthusiasm and a desire to help our children! Support and guidance will be provided from the existing people in these roles and these roles can also be shared amongst a few people.

Interested? Chat to Kay in the office or our current chair Emma B (Poppie and Eva's mum)
Let's make a difference together!

We had a lovely day it was relaxing,' Squirrels took a Retreat Day in Edale – enjoying time out of the busy routine to have fun, develop trust and reflect on things that are precious.

“It was fun to swap places in the parachute – we were thinking about our uniqueness,”

‘We had to make animals as a group – I was the tail, so we were lying down, it was fun making the dragon and we had to work together!’
