Owls were given a warm welcome at **Doncaster School for the Deaf.** They enjoyed an amazing silent day of chatter and games - all using sign. A massive thanks to Mrs Gaywood who previously taught our PE and sports at Eyam and now teaches sport in the school. Owls really rose to the challenge and were able to use all their great signing skills. Thank you to the Signing team from Eyam who have been such as inspirational support to all the children this year.

*Please bring any outgrown items of school uniform that you'd like to recycle (clean please) along to school either before or on Tuesday 17<sup>th</sup> June.*

Towards the end of last half term, we invited you to join us on a school community local walk - we'd been learning about unexpected journeys and felt this would be a way of recognising the strength of character needed to move to a new place - this might be a new school or a new country - thank you for joining us it was a lovely event and we look forward to repeating it again.

As part of the topic the children made a lot of very thoughtful reflections and had many questions.

A massive thank you to our Ukrainian visitor to Squirrels - the children were fascinated by your unique journey to Britain.

The children have explored artists within the topic who focussed their work on war and migration - the infants also created all sorts of transport ideas as you see here!
