Thank you to everyone who helped and went along to support the Eyam Spring Fete & Car Show on Saturday 18th

London was a day out to be remembered for Squirrels

We took in lots of famous sites on our route including Parliament Square and Horse Guards Parade and even managed to jump out for this pic with the London Eye. We visited the Egyptian Gallery at the British Museum, some amazing 'real' paintings at the National Gallery and you can't visit London without the Natural History Museum! The class behaved so well and made a lot of super observations and comments. 'I was extremely excited and worried too....the towering buildings engulfed us...the sphynx sculptures swallowed usit is fascinating to think how much London has grown from a small town when Eyam has stayed a village.....it was incredible to think the painting were touched by the actual artists....I was so thankful to all the teachersit will be the highlight of the year! *Thank you to the PTFA for part funding the trip and for buying the hi- vis jackets – very much needed!*
